- Sprint Retrospective
    - o *What went well?*
        - ▪ Everyone did their work on time
        - ▪ Everyone communicated what they were doing
    - o *What could be improved?*

- ▪ Starting individual tasks earlier
  - o *What will we commit to improve in the next Sprint?*
    - ▪ *To finish tasks earlier*
      - ● *Fill in the table below*
      - ● *Then enter it into the project management / task tracking system*

Change	Who will be responsible for the change	Who will check in on the change half-way and when
Starting tasks earlier to ensure they get completed in a timely manner.	*All group members*	*We will check in with each other to make sure that tasks are being completed by the agreed upon deadline.*
Ease of accessing website	*All group members*	*The group at a sprint meeting will confirm all are working on it*
